# *Message from the Rosh Kollel*

I begin with gratitude to the *Ribono Shel Olam* for granting us another year of learning and teaching Torah in our community. That this can happen is nothing short of a miracle. Especially in today's economic climate, the fact that Kollelim continue to maintain their strong presence in communities throughout the United States and Canada, and new ones keep opening, is a testimony that Hashem wants His Torah to be available to Jews all over the Jewish map.

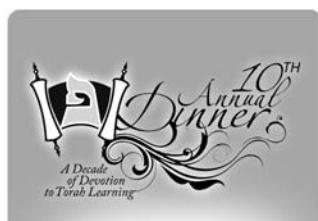

Locally, we need to recognize your involvement in and support of your Kollel. It is through the generosity of community members such as yourselves that allow us to continue our important mission of ensuring the light of Torah burns bright in our city.

I thank Len and Gilya Freedman for giving of themselves to assist in this year's Dinner Campaign by being *Guests of Honor* at this evening's Dinner, and by lauding the accomplishments of the Kollel.

ב'ישר כהכם to our long-standing Kollel couple, Reb Uri and Sarah Leah Greenspan. They are truly deserving of the *Harbotzas Torah Award* for all they have done for so many individuals in our community.

This evening will be one of laughter and of crying; of the past and of the present; of memories that will touch the heart. We will pay tribute to a man among men, a person who was a pillar in our community, beloved and respected by all. To the Kollel, Dr. David Epstein was a leader, a learner, a supporter, an advisor and a friend. He extended himself to all of us and we showed our love in reciprocation. We had the opportunity to learn with him, and from him; to share times of happiness and of sorrow. His memory tonight and beyond should be a זכות for him and for his family.

*Rabbi Yechiel Biberfeld*

# *Message from the President*

On behalf of our board and Rabbis, I thank you for joining us here tonight and for your continued support through the years in making our Kollel such a success. I also want to express our appreciation to the honorees, Len and Gilya Freedman and to our dinner chairpersons, Jack and Alisha. I especially want to express our mutual love and respect to the memory of David Epstein, z”l, and thank his family for allowing us to dedicate the dinner to his memory.

The recipients of this year's Harbotzas Torah Award are Rabbi Uri and Sarah Leah Greenspan. They bring their beautiful family to our community along with Rabbi Greenspan's learning at Yeshivas Rabbeinu Chaim Berlin. Other Yeshivos represented at our Kollel include:

- Yeshivah Gedolah of Montreal
- Mir Yeshivah in Yerushalayim
- Yeshivah Shaar HaTorah in Queens
- Beth Medrash Govoha in Lakewood

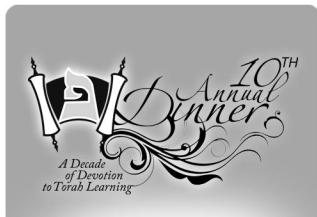

This allows for high-level learning to be available to all of us. May Hashem continue to bless the Kollel in our mission of learning and teaching and let the beauty of Torah surround our community.

Thank you,  
*Ted Kosloff*

**Rabbi Chesky and Aviva Weiss and Family**

We cannot seem to find the right words to begin to thank you for all you have done for us. The way you opened your home and hearts to us right from the start will never be forgotten. Shortly after we arrived, you called up Levi to ask him to learn with you. Little did we know what would come out as a result. Now it is us who call you when needed. And it doesn't stop there. You are always there to help us out whenever anything comes up. You are the ones we can count on! So once again, we want to say a sincere thank you for all that you have done and continue to do for us. It is greatly appreciated and may Hashem repay you multifold for all the *chesed* that you do.
